MEMBER PROTECTION POLICY

1. Introduction

Flinders University Cybersecurity Society aims to have a student run academic club that allows learning and applying cybersecurity topic fields in a safe environment. While providing access to internally run workshops and premium learning platforms. Our main objective is to further the application of knowledge in related fields and prepare students for the cybersecurity industry. We aim to support students with networking events and competition to further their chance of meeting key industry individuals/partners and both learn and connect with.

2. Purpose of Our Policy

The main objective of our member protection policy is to uphold ethical and moral decision-making among club members as well as responsible behaviour within club space. This policy expresses our commitment to a person's right to be safe and protected from harm, as well as to be treated with respect and dignity. Every member of our club is made aware of their legal and ethical rights and obligations as well as the expected standards of behaviour by our policy. It also covers the upkeep and safety of children partaking in club events.

3. Who Our Policy Applies To

Our policy applies to everyone involved in the club including committee members, administrators, volunteers, parents and spectators.

4. Extent of Our Policy

Our policy covers unfair decisions (e.g. team selection), breaches of our code of behaviour and inappropriate behaviour that occurs at practice, at meetings, in the club rooms, at social events organised or sanctioned by the club (or our district, regional, state or national body if applicable), on away and overnight trips and any behaviour that brings or is likely to bring our club or university into disrepute. It also covers behaviour where there is suspicion of harm towards a child or young person.

5. Club Responsibilities

We will:

- make any necessary amendments to our Constitution, rules or other policies to enable this policy to be enforceable.
- implement and comply with our policy.
- promote our policy to everyone involved in our club.
- Always promote and model appropriate standards of behaviour.
- respond to breaches or complaints made under our policy promptly, fairly, and confidentially.
- review this policy every 12-18 months; and
- seek advice from, and if necessary or appropriate, refer serious issues to our *[district/region/state or national body if applicable]* and to the Flinders University Student Association.

Serious issues include unlawful behaviour that involves or could lead to significant harm and includes criminal behaviour (e.g. physical assault, sexual assault, child abuse) and any other issues that *[our state or national body if applicable]* or the Flinders University Student Association request to be referred to them (e.g. conflict of interest).

6. Individual Responsibilities

Flinders University Cybersecurity Society

1284 South Rd, Clovelly Park SA 5042

Tonsley | South Australia 5042

Flinders University Student Association - (08) 82012842

www.fusa.edu.au

Everyone associated with our club must:

- comply with the standards of behaviour outlined in our policy.
- treat others with respect.
- always place the safety and welfare of children above other considerations.
- be responsible and accountable for their behaviour.
- follow the guidelines outlined in this policy if they wish to make a complaint or report a concern about possible child abuse, discrimination, harassment or other inappropriate behaviour.

6.1 Social networking

Flinders University Cybersecurity Society acknowledges the enormous value of social networking to promote our society and celebrate the achievements and success of the people involved in our society.

Social networking refers to any interactive website or technology that enables people to communicate and/or share content via the internet. This includes social networking websites such as Facebook and Twitter.

We expect all people bound by this policy to conduct themselves appropriately when using social networking sites to share information related to our society.

Social media activity including, but not limited to, postings, blogs, status updates, and tweets:

- must not contain material which is, or has the potential to be, offensive, aggressive, defamatory, threatening, discriminatory, obscene, profane, harassing, embarrassing, intimidating, sexually explicit, bullying, hateful, racist, sexist or otherwise inappropriate.
- must not contain material, which is inaccurate, misleading or fraudulent.
- must not contain material, which is in breach of laws, court orders, undertakings or contracts;
- should respect and maintain the privacy of others; and
- should promote the society in a positive way

7. Protection of Children

7.1 Child Protection

Child abuse involves conduct which puts children at risk of harm and takes a number of different forms including:

- Physical abuse – e.g., deliberately hurting (hitting, punching), providing alcohol or drugs, training that exceeds child’s development or maturity
- Sexual abuse – e.g., sexual acts or threats, inappropriate touching or conversations
- Emotional abuse – e.g., ill-treating by threats, humiliation, intimidation
- Neglect – e.g., not providing child with basic necessities (food, drink, clothing), failing to protect a child from foreseeable risk of harm or injury.

Abuse is usually against the law. We will take measures to protect children involved in our club from harm. We will do this by:

- Responding to all reports of abuse promptly, seriously and confidentially.
- Complying with state/territory child protection laws and working with children check requirements (see attachment 2);
- Carefully selecting and screening people over the age of 16 years who will have regular supervisory contact with children.
- Promoting and enforcing our codes of behaviour, particularly for roles associated with children.

Flinders University Cybersecurity Society

1284 South Rd, Clovelly Park SA 5042

Tonsley | South Australia 5042

Flinders University Student Association - (08) 82012842

www.fusa.edu.au

- Making information about child protection available, particularly for roles associated with children; and
- Adopting practices that provide the maximum opportunity for a child safe environment.

Anyone who reasonably suspects that a child has been or is being abused must report their concerns to the police or relevant government agency. Advise the *[Club President and CEO of the NSO]* and the Flinders University Student Association that you have reported your concerns.

7.2 Supervision

Members under the age of [18] must be supervised at all times by a responsible adult. Our club will provide a level of supervision adequate and relative to the members' age, maturity, capabilities, level of experience, nature of activity and nature of venue. If a member finds a member under the age of [18] is unsupervised, they should assume responsibility for the member's safety until the parent/guardian or supervisor can be found.

Parents must turn up on time to collect their child for reasons of courtesy and safety. If it appears a member will be left alone at the end of a club activity/event with just one child, they will ask another member to stay until the child is collected.

7.3 Transportation

Parents/guardians are responsible for transporting their children to and from club activities . Where our club makes arrangements for the transportation of children (e.g. for away or overnight trips), we will conduct a risk assessment that includes ensuring vehicles are adequately insured, the driver has a current and appropriate licence for the vehicle being used and appropriate safety measures are available (e.g. fitted working seatbelts).

7.4 Taking Images of Children

Images of children can be used inappropriately or illegally. Our club requires that members, wherever possible, obtain permission from a child's parent/guardian before taking an image of a child that is not their own and ensure that the parent knows the way the image will be used. Our club also require the privacy of others to be respected and disallow the use of camera phones, videos and cameras inside changing areas, showers and toilets.

If the club uses an image of a child it will avoid naming or identifying the child or it will, wherever possible, avoid using both the first name and surname. We will not display personal information such as residential address, email address or telephone numbers without gaining consent from the parent/guardian. We will not display information about hobbies, likes/dislikes, school, etc as this information can be used as grooming tools by paedophiles or other persons. We will only use appropriate images of a child, relevant to our club activities and/or club and ensure that the child is suitably clothed in a manner that promotes the club's activities and/or club, displays its successes, etc.

8. Anti-harassment, Discrimination and Bullying

Our club opposes all forms of harassment, discrimination and bullying. This includes treating or proposing to treat someone less favourably because of a particular characteristic; imposing or intending to impose an unreasonable requirement, condition or practice which has an unequal or disproportionate effect on people with a particular characteristic; or any behaviour that is offensive, abusive, belittling, intimidating or threatening – whether this is face-to-face, indirectly or via communication technologies such as mobile phone and computers. Some forms of harassment, discrimination and bullying are against the law and are based on particular characteristics such as age, disability, gender, sexual orientation, pregnancy, political or religious beliefs, race, and marital status.

Our club takes all claims of harassment, discrimination, bullying and cyber bullying seriously. We encourage anyone who believes they have been harassed, discriminated against or bullied to raise the issue with the club (see Responding to Complaints).

9. Inclusive practices

Our club is welcoming, and we will seek to include members from all areas of our community.

Flinders cybersecurity Society believes that inclusive practice and cultural competence are fundamental to delivering effective, high-quality services for students and partners alike.

This belief is

consistent with our values of human dignity, community and diversity.

Our efforts to deliver well-targeted support and responses, tailored to

individual needs and preferences, depend on having a good understanding

of a person's cultural background. Moreover, this understanding is part of a

broader commitment for all people to feel in a safe and equal within the workshops and club environment,

have

access to equal voice, resources and opportunities, and be treated with dignity, respect and fairness.

9.1 People with a disability

Where possible we will include people with a disability in our club. We will make reasonable adaptations (e.g. modifications to equipment and rules) to enable participation is as equitable and comfortable as possible.

9.2 People from diverse cultures

We will support and respect people from diverse cultures and religions to participate in our club and where possible will accommodate requests for flexibility .

9.3 Sexual & Gender Identity

All people, regardless of their sexuality, are welcome at our club. We strive to provide a safe environment for participation and will take action over any homophobic behaviour.

9.4 Pregnancy

Pregnant women should be aware that their own health and wellbeing, and that of their unborn children, should be of utmost importance in their decision making about the way they participate in our club. We recommend pregnant women to consult with their medical advisers, make themselves aware of the facts about pregnancy in the club's activities, and ensure that they make informed decisions about participation.

10. Responding to Complaints

10.1 Complaints

Our club takes all complaints about behaviour seriously. Our club will handle complaints based on the principles of procedural fairness (natural justice), that is:

- all complaints will be taken seriously;
- both the person making the complaint (complainant) and the person the complaint is against (respondent) will be given full details of what is being said against them and have the opportunity to respond (give their side of the story);
- irrelevant matters will not be taken into account;
- decisions will be unbiased and fair; and
- any penalties imposed will be fair and reasonable.

More serious complaints may be escalated to our *[district/region/state or national body if applicable]* and the Flinders University Student Association.

If the complaint relates to suspected child abuse, sexual assault or other criminal activity, then our club will need to report the behaviour to the police and/or relevant government authority, *[our national body if applicable]*, and the Flinders University Student Association.

10.2 Complaint Handling Process

When a complaint is received by our club, the person receiving the complaint (e.g. President, Member Protection Information Officer, Complaint officer) will:

- listen carefully and ask questions to understand the nature and extent of the problem;
- ask what the complainant would like to happen;
- explain the different options available to help resolve the problem;
- take notes;

- maintain confidentiality but not necessarily anonymity; and
- report the complaint to the Flinders University Student Association.

Once the complainant decides on their preferred option for resolution, the club will assist, where appropriate and necessary, with the resolution process. This may involve:

- supporting the person complaining to talk to the person being complained about
- bringing all the people involved in the complaint together to talk objectively through the problem (this could include external mediation);
- gathering more information (e.g. from other people that may have seen the behaviour);
- seeking advice from our district, regional, state and/or national body or from an external agency (e.g. anti-discrimination agency);
- referring the complaint to our *[district, regional, state or national]* association (if applicable); and/or
- referring the complaint to the Flinders University Student Association; and/or
- referring the complainant to an external agency such as a community mediation centre, police or anti-discrimination agency.

In situations where a complaint is referred to our *[district, regional, state or national body if applicable]* and an inquiry is conducted, the club will:

- co-operate fully;
- ensure the complainant and respondent are not victimised;
- where applicable, ensure the complainant is not placed in an unsupervised situation with the respondent(s); and
- act on our *[district, regional, state or national]* association's recommendations.

At any stage of the process, a person can seek advice from or lodge a complaint with an anti-discrimination commission or other external agency.

10.3 Disciplinary Measures

Our club will take disciplinary action against anyone found to have breached our policy or made false and malicious allegations. Any disciplinary measure imposed under our policy must:

- Be applied consistent with any contractual and participation rules and requirements.
- Be fair and reasonable.
- Be based on the evidence and information presented and the seriousness of the breach.
- Be determined by our Constitution, By Laws and policies.

Possible measures that may be taken include:

- verbal and/or written apology.
- counselling to address behaviour.
- withdrawal of any awards, placings, records, achievements bestowed in any tournaments, activities or events held or sanctioned by our club.
- suspension or termination of membership, participation or engagement in a role or activity.
- de-registration of accreditation for a period of time or permanently.
- any other form of discipline that our club considers reasonable and appropriate.

10.4 Appeals

Flinders University Cybersecurity Society

1284 South Rd, Clovelly Park SA 5042

Tonsley | South Australia 5042

Flinders University Student Association - (08) 82012842

www.fusa.edu.au

The complainant or respondent can lodge one appeal against decisions of or disciplinary measures imposed by our club to either the membership of the club (for resolution in General Meeting) or by appealing to the Flinders University Student Association via clubs@flinders.edu.au. Appeals must be based on either a denial of natural justice, because of unjust or unreasonable disciplinary measure(s) being imposed, or on the grounds that the decision was not supported by the information/evidence presented and available to the decision maker/club.

Attachment 1: CODE OF CONDUCT

- *Members must behave in a responsible manner when representing the Club, and foster an environment that encourages positive values of fairness, respect, responsibility and safety, and which honours the ethos and cultural values of Flinders University.*
 - *Members must comply with the terms and conditions of use for all Flinders University facilities.*
 - *Members must comply with the terms and conditions of the parent association governing the activity in which the Club participates (where applicable).*
 - *Members must abide by all relevant state and Federal laws.*
 - *Members must comply with all relevant Flinders University policies and procedures and Codes of Conduct (including but not limited to Flinders University's policies on bullying, sexual harassment, equal opportunity, racism and disability).*
 - *Members must abide by a policy of zero tolerance for sexual assault, physical, mental or emotional abuse.*
 - *Members must comply with any additional regulations or requirements advised to the Club by the University.*
-

[Note: Codes of Conduct are generally not binding on non-Members such as parent/guardians unless they have signed the Codes or other form agreeing to be bound by the codes and the Member Protection Policy. It may therefore be difficult to discipline a parent/guardian under this policy. This will vary for every organisation and depends on what measures have been taken to bind 'non-members' to the policy (e.g. through purchasing tickets to venues, through a child's membership form).]

Attachment 2.1: SCREENING REQUIREMENTS

This attachment sets out the screening process for people in our club who work, volunteer, supervise or have regular unsupervised contact with people under the age of 18 years.

Our Club will:

1. Identify positions that involve working, supervising or regular unsupervised contact with people under the age of 18 years.
2. Obtain a completed *Member Protection Declaration* (MPD) (Attachment 2.2) from all people who are identified in the above step and keep it in a secure place.
3. Provide an opportunity for a person to give an explanation if a MPD isn't provided or it reveals that the person doesn't satisfactorily meet any of the clauses in the MPD. We will then make an assessment as to whether the person may be unsuitable to work with people under the age of 18 years. If unsatisfied, we will not appoint them to the role/position.
4. Where possible, check a person's referees (verbal or written) about his/her suitability for the role.
5. Ask the people identified in step 1 to sign a consent form for a national police check.
6. Possibly request (or ask the person to request) a national 'Part Exclusion' police check from our relevant police jurisdiction. This check excludes irrelevant records. If the police check indicates a relevant offence, we will provide an opportunity for the person to give an explanation, and then we will make an assessment as to whether the person may pose a risk to or be unsuitable to work with people under the age of 18 years. If unsatisfied, we will not appoint them to the role/position.
7. Make an assessment as to whether the person may be unsuitable to work with people under the age of 18 years if the person does not agree to a national police check after explaining why it is a requirement under our policy. If unsatisfied, we will not appoint them.
8. Decide whether to offer the person the position taking into account the result of the police check and any other information the club has available to it. Where it is not practical to complete the police check prior to the person commencing in the position, we will complete the check as soon as possible, and if necessary, act immediately on the outcome.
9. Protect the privacy of any person who is checked and maintain confidentiality of any information obtained through the checking process.
10. Return information collected during screening (such as a completed MPD form, police records and referee reports) to the relevant person if that person is not appointed to the position, or otherwise be destroyed within 28 days of the date of the decision or the expiry of any appeal period, unless within that time the person requests that the documents be returned to them. For appointed persons, information will be kept on file in a secure location.

Attachment 2.2: MEMBER PROTECTION DECLARATION

Attachment 2.3: WORKING WITH CHILDREN CHECK REQUIREMENTS

SOUTH AUSTRALIA

There are provisions under the *Children's Protection (Miscellaneous) Amendment Act 2005* that apply to non-government and volunteer organisations that are entrusted with the care of children or who regularly come into contact with children. Part of the Government regulations are 'National Principles for Child Safe Organisations' which clubs and organisations are expected to adopt as proactive and preventative strategies. These principles are to help prevent and minimise opportunities for abuse and to appropriately respond when abuse occurs or is suspected. The principles can be assessed at the following link:
<https://www.playbytherules.net.au/got-an-issue/child-safe-sport/create-a-child-safe-organisation>

Staff and volunteers who work with children are mandated notifiers and have a legal obligation to report any suspected child abuse and/or neglect.
